Permanent Cosmetic Procedures performed by Master Artist Daniela Mains

About this book.

This book provides a visual overview of some recent work I have performed, including various types of eyebrows, eyeliner, lips, and scalp pigmentation.

I have also included some photographs of skin micro-needling procedures, to reduce the appearance of wrinkles, scars and other imperfections of the skin.

Please contact me with any questions you have, or to set up a meeting with me.

(see back of book for contact details)
